Dear Skip,

Please convey my appreciation to your building manager, Mr. Robert H. Costanzo, and his staff for the time and effort they spent on the recent renovations for my office in the Executive Office Building. I am aware of the burdens we placed on him and his people but they delivered results in a highly competent and expeditious manner. They are to be commended. The working environment in that area has been improved substantially due largely to the outstanding support from his people.

Yours,

/s/
